Post-Brexit options for UK chemicals law
A joint event by Chemical Watch, CHEM Trust and Tech UK

About the event
This is Chemical Watch’s first Brexit workshop which is organised in conjunction with industry organisation Tech UK and health and environment NGO CHEM Trust. The event brings together experts and stakeholders who will examine the implications of Brexit in terms of UK/EU trade and environmental protection, current models of cooperation with the EU and possible options for UK chemicals law after Brexit.

Who should attend?
- Regulatory Affairs professionals
- Compliance professionals
- Government regulators
- Trade Associations
- Service providers
- Lawyers
- NGOs
- Academics

Why attend?
Expert panel
Listen to experts and stakeholders examine the implications of Brexit.

Current thinking
Gain valuable insight into the thinking on post-Brexit options for the UK.

Time efficiency
Bring yourself completely up-to-date with this complex and changeable landscape.

Q&A panel discussions
Have your specific questions answered by making use of the multiple Q&A sessions. Remember - you can send in any questions you might have in writing in advance of the event.

Networking
Meet your peers, including our expert panel, in an informal and relaxed setting of the Crowne Plaza London - The City.
