A unique opportunity to join our panel of experts from government, industry and professional advisers, as they share their perspectives and understanding of global regulatory challenges facing industry.
Why attend?

EXPERT SPEAKERS ON HAND
Listen to expert speakers, including industry representatives from around the globe.

CURRENT THINKING
Gain valuable insight into the current state of chemical regulation in Asia, the EU, the USA and elsewhere in the world.

TIME EFFICIENCY
Bring yourself completely up-to-date with the complex and changeable landscape of chemical regulation around the world in just two days.

DETAILED UPDATES FROM AROUND THE WORLD
What is new/hot in each region; meet the experts and hear about regulatory and compliance issues across SE Asia, the USA, the EU and the rest of the world.

Q&A PANEL SESSIONS
Have your specific questions answered by making use of the multiple Q&A sessions. Remember – you can send in any questions you might have in writing in advance of the Summit.

About this event

A unique opportunity to join our panel of experts from government, industry and professional advisers, as they share special perspectives and understanding of Global chemical regulatory challenges facing industry.

Against a complex and changeable regulatory landscape, the Chemical Watch Regulatory Summit – Asia brings together a panel of over twenty experts, ready to answer your questions about the latest regulatory challenges facing industry today. Using a mixed format of presentations and in-depth Q&A panel discussion, the Summit tackles regulatory and compliance issues in China, Taiwan, South Korea, Japan, Malaysia, Singapore, Vietnam and Thailand together with India, Australia, New Zealand, The EU, and The USA.

Who should attend?

- Heads of Regulatory Affairs/Regulatory Managers
- Compliance Officers
- EHS Directors/Managers
- Government Regulators
- Product Registration Managers
- Toxicologists
- Risk Assessment Managers
- Lawyers

Seats strictly limited. Book now to save money and avoid disappointment.

- On-going implementation in Thailand, Philippines, Indonesia  
- Update on changes in China, Korea, Vietnam and other countries  
- Update on implementation in Australia and the draft reform in New Zealand  
Nhat Nguyen, Senior Regulatory Analyst – Asia Pacific, 3E Company/Verisk Analytics Inc, USA

**17:15** Q&A Session

**17:30** Close of Day One/Cocktails
Day Two – 8 September 2016

SESSION 5 – DEVELOPMENTS ELSEWHERE IN ASIA (CONTINUED)

09:00 Malaysia
Muhammad Faisal bin Jusoh, Chemical Control Unit, Chemical Management Division, Department of Occupational Safety and Health, Malaysia

09:30 Singapore
Cissie Yeong, Product Regulatory Manager, Asia Pacific/ Middle East, Downstream, Shell Eastern petroleum (Pte) Ltd, Singapore

10:00 India
Rajesh Ramamurthy (Dr.), Head – Product Stewardship India, Archroma India (Pvt) Ltd, India

10:30 Australia and New Zealand
• Overview of the reforms to the National Industrial Chemicals Notification and Assessment Scheme (NICNAS)
• Proposed changes of the Hazardous Substances and New Organisms rules (HSNO)
• Regulatory developments with Classification, Safety Data Sheets and labelling in both countries
Nick Zovko, Regulatory Policy Manager, Plastics and Chemicals Industries Association (PACIA), Australia

11:15 Q&A Session

11:30 Refreshments and networking

11:45 Developments in Food regulations in Asia
• China
• Japan
• South Korea
• Taiwan
Mark Thompson, Keller and Heckman LLP, China

12:15 Developments in Emergency Response in SE Asia
Daniel Haggarty, Managing Consultant, Ricardo Energy & Environment, UK

12:45 Q&A Session

13:00 Lunch

14:00 The REACH 2018 deadline in Europe
• Upcoming changes in the registration process
• Preparations for the 2018 deadline
• Improving the quality of the information
Laura Walin, Directorate C - Registration, European Chemicals Agency, Finland

14:30 The EU-ECHA SVHC Roadmap
• What is SVHC Roadmap, what are the goals?
• What has happened so far? Consequences
• What will happen next? Consequences
• How will (may) the SVHC Roadmap influence other (related) regulations in the EU and globally?
Uli Wietschorke, IMCS GmbH, Switzerland

15:00 Q&A Session

15:15 Reforming the US Toxic Substances Control Act – latest developments
• U.S. Federal Regulation – TSCA Overview
• Status of TSCA reform activities and implementation
• Comparison of TSCA and REACH
• Impacts of new TSCA requirements on manufacturers, exporters/importers, and downstream users
• State-level updates: California, Vermont, and Emerging State Initiatives
J Brian Xu, Toxicologist, Bergeson & Campbell PC, USA

15:45 Refreshments and networking

16:00 Joining it all together.........is there hope for the multi-national company in this increasingly regulated world?
• What multi-national companies would ideally want
• Why do differences in regulatory approach exist and are they material to product decisions?
• Can harmonisation of data sources help to standardise the approach and what are the barriers to data-sharing?
• Is there a role for international agencies on the pathway to a more harmonised approach?
Paul Ashford, Managing Director, Anthesis-Caleb, UK

16:30 Data Sharing Internationally
Li Heng, Associate, Mayer Brown, Beijing, China

17:00 Final Q&A Session

17:30 Close of Summit

OPTIMAL WORKSHOP
Tuesday 6th September 2016

REACH BASICS

1.30pm – 5.00pm

The following topics will be covered:
• Introduction to REACH or REACH refresher
• Only Representative (OR) requirements for non-EU registrants
• Preparing for 2018 deadline: Joint and Lead Registrations
• Options if no current Lead Registrant
• Timescales required for Registration and likely challenges
• Cost sharing and LoA, ECHA Fees Regulation
• CoRAP and Dossier Evaluation implications
• Supplier and OR Classification, Labelling and Packaging obligations

Workshop leader: Dr Alex Paul, Managing Regulatory Consultant, The REACH Centre Ltd, England

Workshop fee: US$350
Regulatory Summit – Asia, 7–8 September, Hong Kong

3 WAYS TO REGISTER
